DESCRIPTION

SGG Group is a leading investor services firm providing a comprehensive range of compliance, administration and asset services to alternative investment funds, international companies, HNW families and entrepreneurs. From our early beginnings in the private clients space, we have evolved and grown, and this has shaped the way we do business. SGG is among the most flexible providers in the sector and our entrepreneurial spirit drives us to find the best solutions for our clients. We help our clients realise their ambitions as they seek to keep pace with a changing environment. SGG attracts and retains the most experienced experts and invests in the industry's leading software platforms to deliver the highest quality service to our clients across more than 23 countries.

We make business simple for you.

We support your ambitions.
